

Oasis STEM Academy Teacher Recommendation

Thank you for taking your time to complete this recommendation form for your student. The Oasis STEM Academy is a program at Oasis Middle School that bridges the gap between science, technology, engineering and mathematics. The program is rigorous academically and will require students to critically think, problem solve and collaborate with other students. The students will be part of the program over the three years they are at Oasis Middle if they are accepted. Please answer the following questions for the consideration of the application committee. If you have any questions about the recommendation form, or the program in general, please contact John Omundsen at john.omundsen@capecharterschools.org. Please email this form directly to John Omundsen at the email provided.

Student Name: _____

Teacher Name: _____

Current Grade: _____ School: _____

Email: _____
